2012 Sarnia-Lambton Bike Summit

Tuesday June 5, 2012

9:30 am - 3:30 pm

Lambton Inn, 1485 London Road, Sarnia

The paradigm has shifted. Bicycle friendly communities are more liveable and help to reduce greenhouse gas emissions. Cycling for leisure and active transportation is part of the new eco-forward strategy to attract new residents and businesses and promote population health. Discover how Sarnia-Lambton is working towards becoming a bicycle friendly community to promote safe cycling, encourage active transportation and increase physical activity.

Topics include:

- Cycling in Sarnia-Lambton...State of the Nation
- Building Bike Friendly Communities...Best Practice from other Municipalities
- Economic Benefits of Cycle-tourism...Investing in Bike Friendly Communities
- Creating Future Direction for a Bike Friendly Sarnia-Lambton

Who should attend? Policy makers, elected officials, planners, police, public health, economic partners, tourism sector and cycling advocates. Fee: \$25 (lunch included) or \$10 for students/seniors. **SUMMIT REGISTRATION OPENING SOON at www.sharetheroad.ca**

Bike Friendly Community Engagement Forum

Monday June 4, 2012

6:30 pm - 8:00 pm

Community Health Services Dept, 160 Exmouth St., Point Edward

Classrooms A & B

Free to the community. This is an opportunity to engage with the public on steps to creating our own bike friendly community. Recommendations will be shared with participants of the Sarnia-Lambton Bike Summit on June 5th.
