**Are you a Senior
and
Need Work Done?**

**Are you Retired
and would like to
Keep Active
by helping seniors
Stay in their Homes?**

Who Helps SENIORS?

The Handyman/Handywomen are mostly retirees from our community who have experience and skills from their workplace in the local community. They are available for minor repair work. Handymen will also advise and counsel seniors about major repair if requested.

Each Handyman/Handywoman has a police check and carries a photo identification card.

Presentations to seniors groups can be arranged upon request.
