

What You Need to Know

[Ontario Regulation \(O. Reg.\) 191/11 – Integrated Accessibility Standards](#) under the *Accessibility for Ontarians with Disabilities Act, 2005* (AODA) requires designated public sector organizations to have a multi-year accessibility plan in place which documents the organization’s strategy to prevent and remove accessibility barriers.

Organizations must establish, review and update these plans in consultation with persons with disabilities and when applicable, with a municipal accessibility advisory committee.

Plans must be updated at least once every five years and a status report must be completed on an annual basis. The plan and status report must be posted on the organization’s website and be available in an accessible format upon request.

This form includes information to help designated public sector organizations comply with [section 4 of the Regulation](#).
