Brooke-Alvinston, ON

Municipality of Brooke-Alvinston Declares Itself an Unwilling Host to Proposed Wind Turbine Project

The Council of the Municipality of Brooke-Alvinston has formally declared its position as an unwilling host to the proposed wind turbine development project proposed by Venfor Inc.

In a motion passed during the special Council meeting, the Municipality resolved to withhold any resolution of support or municipal land approval required for the advancement of the project. This decision reflects Council's commitment to representing the concerns of local residents and preserving the character and environmental integrity of the community.

As part of this resolution:

- The Municipality will not provide any form of endorsement or land use permissions for the proposed Venfor Inc. wind turbine project
- The Clerk has been directed to forward this resolution to the Ontario Ministry of Energy, Northern Development and Mines, as well as Venfor Inc.
- A copy of the resolution will be posted on the municipal website

The Mayor and Council reaffirm their decision to responsible development and community engagement.
